INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TRAVELS & RENTALS LIMITED
(CIN -U60221WB1996PLC081439)

Report on the Audit of the Financial Statements

Opinion:

We have audited the accompanying financial statements of M/s. Travels & Rentals Limited (hereinafter referred to as 'the Company'), which comprises of the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss, the Cash Flow Statement for the year ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended (hereinafter referred to as 'the Act') in the manner so required and give a true and fair view in conformity with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014 (as amended) and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2024, its profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provision of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon:

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management's and Board of Director's and Those Charged with Governance for the Financial Statements:

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act, read with Companies Accounts Rules, 2014, as amended (to the extent applicable). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternatives but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of the accounting estimates and related disclosures made by the management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relate safeguards.

ANNEXURE "B" TO THE AUDITOR'S REPORT

Report on the Internal Financial Control under clause (i) of sub section 3 of Section 143 of companies Act, 2013 ('The Act')

We have audited the internal financial control over financial reporting of M/s. Travels & Rentals Limited ('the company') as of 31st March, 2024 in conjunction with our audit of the financial statement of the company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH , 2024

1. Corporate Information:

Travels & Rentals Limited is a Public Unlisted Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company incorporated in the year 1996, having its registered office at 161, Lenin Sarani, Dharmatala, Kolkata – 700013. The Company is engaged in Service Business.

2. Nature of Operation:

Company is engaged in the business of Travel Agency with a focus on Air, Hotel, Car and other related services.

3. Significant accounting policies

The accounting policies set out below have been applied consistently to the year presented in these financial statements.

4. Our Revenue, Service Cost and Other Revenue and Expenses

Revenue

We commenced our business in 1996 as a Business Travel Agency with a focus on Air, Hotel, Car and other related services for B2B clients initially through our back office and later on through websites and call center sales. Over time, we have expanded our channels of sales to International Companies and small travel agents (B2B2C) as well. New services and products such as after sales servicing, VIP services, Emergency Help Desk etc. have been added over the due course of time.

Our total income comprises: (i) revenue from operations and (ii) other income.

Revenue from Operations

Air Ticketing:- We earn commissions from airlines for tickets booked by customers through our various channels of sales. We either deduct commissions at the time of payment of the fare to our airline suppliers or collect our commissions on a regular basis from our airline suppliers, whereas incentive payments, which are largely based on volume of business, are collected from our airline suppliers on a periodic basis. We charge our customers a service fee for booking airline tickets. We receive fees from our service providers based on the volume of sales completed by us. Revenue from airline tickets sold as part of packages is included in our Hotels and Packages revenue.

Hotels and Packages:- Revenue from our Hotels and Packages business includes commissions and markups we earn for the sale of hotel rooms (without packages), which is recorded on a “net” basis. Revenue from packages, including hotel and airline tickets sold as part of packages, is accounted for on a “gross” basis.

Other Services:- Revenue from other services primarily comprises of service charges received from assistance provided for Visa, Insurance, Passport, other travel ocumentation services, Meet & Greet services and many other travel related services provided from time to time. Further this also includes service charges received for providing emergency services, after sales services and VIP services provided to International Companies.

Manish Dushar Singh

MPS
Jain

Other Income:- Other income primarily comprises: (A) Interest on Fixed Deposits and (B) Miscellaneous Income.

Expenses:- Our expenses comprise: (i) service costs (ii) employee benefits expense; (iii) marketing and sales promotion expenses; (iv) depreciation and amortization expenses; (v) finance costs; (vi) other expenses.

Service Cost:- Service cost primarily consists of costs paid to hotels and package suppliers and air suppliers for the acquisition of relevant services and products for sale to customers, and includes the procurement cost of hotel rooms, air tickets, meals and other local services such as sightseeing costs for packages, entrance fees to museums and attractions and local transport costs.

Employee Benefit Expenses:- Employee benefits expenses comprise: (i) salaries and wages; (ii) contribution to provident and other funds; (iii) staff welfare expenses; and (iv) employee compensation expenses.

Basis of Preparation of Financial Statements:

The financial statements have been prepared to comply in all material aspects with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards prescribed under section 133 of the Companies Act, 2013 (Act) read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions relating to the Act (to the extent notified) and other accounting principles generally accepted in India, to the extent applicable. The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees. The financial statements are prepared under Division I of the Schedule III of the Companies Act, 2013. The financial statements are presented in Indian rupees, which is the functional currency of the country and all values are rounded off to Lacs except when otherwise indicated.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Use of Estimates:

The preparation of the financial statements in conformity with GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expense during the reporting period. Accounting estimates could change from one period to another. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods as and when the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Operating Cycle

Based on the nature of products/activities of the company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

Current and Non-Current Assets:

All assets and liabilities are classified into current and non-current.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at-least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Jain

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within 12 months after the reporting date; or
- d) The Company does not have an unconditional right to defer settlement of the liability for atleast 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Property, Plant and Equipment:

Property, plant and equipment are carried at cost of acquisition or construction net of recoverable taxes, trade discounts and rebates less accumulated depreciation and/or accumulated impairment loss, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditures related to an item of property, plant and equipment (except land) are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. The valuation and recognition is done by keeping in view the provisions of the Accounting Standard 10 on "Accounting for Property, Plant and Equipment". None of Fixed Assets have been revalued during the Year.

Depreciation on Tangible Fixed Assets has been provided on Written Down Value Method over the useful lives of Assets as prescribed under Part C of Schedule II of the Companies Act, 2013. Depreciation for Assets purchased/sold during a period is proportionately charged.

Property, plant and equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

Inventories:

Not Applicable, since no Inventory held by Company.

Employee Benefits:

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia.

Investments:

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

On initial recognition, all investments are measured at cost. The cost comprises of purchase price and directly acquisition charges such as brokerage, fees and duties.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of investments, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit & loss.

Recognition of Revenue And Expenditure:

Revenue Recognition:

We generate our revenue from contracts with customers. We recognize revenue when we satisfy a performance obligation by transferring control of the promised services to a customer in an amount that reflects the consideration that we expect to receive in exchange for those services. When we act as an agent in the transaction, we recognize revenue only for our commission on the arrangement. The Company has concluded that it is acting as agent in case of sale of airline tickets, hotel bookings, sale of rail and bus tickets as the supplier is primarily responsible for providing the underlying travel services and the Company does not control the service provided by the supplier to the traveler and as principal in case of sale of holiday packages since the company controls the services before such services are transferred to the traveler.

The Company provides travel products and services to leisure customers (B2C-Business to Consumer), corporate travelers (B2E-Business to Enterprise) and B2B2C (Business to Business to Consumer) travel agents in India and abroad. The revenue from rendering these services is recognized in the statement of profit or loss once the services are rendered. This is generally the case (1) on issuance of ticket in case of sale of airline tickets (2) on date of hotel booking and (3) on the date of completion of outbound and inbound tours and packages. The application of our revenue recognition policies and a description of our principal activities, organized by segment, from which we generate our revenue, are presented below.

Air Ticketing

We receive commissions or service fees from the travel supplier and/or traveler. Revenue from the sale of airline tickets is recognized as an agent on a net commission earned basis. Revenue from service fee is recognized on earned basis. Both the performance obligations are satisfied on issuance of airline ticket to the traveler. We record an allowance for cancellations at the time of the transaction based on historical experience. Incentives from airlines are recognized when the performance thresholds under the incentive schemes are achieved or are probable to be achieved at the end of periods.

Hotels and Packages

Revenue from hotel reservation is recognized as an agent on a net commission earned basis. Revenue from service fee from customer is recognized on earned basis. Both the performance obligations are satisfied on the date of hotel booking. We record an allowance for cancellations at the time of booking on this revenue based on historical experience. Revenue from packages are accounted for on a gross basis as the Company is determined to be the primary obligor in the arrangement, that is the risks and responsibilities are taken by the Company including the responsibility for delivery of services. Cost of delivering such services includes cost of hotels, airlines and package services and is disclosed as service cost.

Other Services

Revenue from other services primarily comprises of revenue from sale of rail and bus tickets and revenue from freight forwarding services. Revenue from the sale of rail and bus tickets is recognized as an agent on a net commission earned basis. Revenue related to freight forwarding services is recognized at the time of departure of the cargo at the origin in case of exports. In case of Imports, revenue is recognized on the basis of arrival dates. We act as an agent; accordingly we recognize revenue only for our commission on the arrangement. Revenue is recognized net of allowances for cancellations, refunds during the period and taxes.

All other Income and Expenditure to the extent considered receivable and payables unless specifically stated are accounted for on accrual and prudent basis.

Foreign Currency Translation:

Initial recognition: Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. The rate of conversion used is the rate prescribed by the CBEC.

Conversion: Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences: The transactions in foreign exchange are accounted at the exchange rate prevailing on the date of the transaction. Assets & liabilities denominated in foreign currency are restated at the year end adopting the contracted/ year end rates as applicable. Any exchange gains or losses arising out of subsequent fluctuations are accounted in the Profit & Loss Statement.

Translation of foreign exchange transaction: Company follows AS – 11 (Revised) in respect of Foreign Currency Transaction applying the principle of most likely realizable/disbursable amount.

Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted number of equity shares outstanding during the period is adjusted for events that have changed the number of equity shares outstanding, without a corresponding change in resources.

Accounting for Taxes on Income:

Tax expense comprises of Current Tax and Deferred Tax. Current Tax is measured as the higher of the amount expected to be paid to the tax authorities, using the applicable tax rates and Minimum Alternate Tax Calculated on the Book Profits.

Deferred Income Tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, in case there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same.

Provisions, Contingent Liabilities and Contingent Assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

Cash & Cash Equivalents as indicated in the Cash Flow Statement comprise Cash on Hand, Cash at Bank and Fixed Deposits held with Bank.

Borrowing Costs:

Borrowing cost includes interest, and other ancillary costs incurred in connection with the arrangement of borrowings and are charged to revenue. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

Previous Year Figures have been regrouped or rearranged wherever considered necessary.

Balances of Sundry Debtors, Loan & Advances and Sundry Creditors are subject to confirmation and reconciliation (if any).

The details of amount outstanding under the Micro, Small and Medium Enterprises Development Act, 2006 to the extent of information available with the Company are as under:

- (i) Principal & Interest amount due and remaining unpaid as at 31.03.2024: Nil (Previous Year Nil)
- (ii) Payment made beyond the appointed day during the year: Nil (Previous Year Nil)
- (iii) Interest Accrued and unpaid as at 31.03.2024: Nil (Previous Year Nil)

The Company has utilized the borrowings received from banks and financial institutions for the purpose for which it was taken during the year.

In the opinion of the Board of Directors, the current assets, loans and advances are approximately of the value stated if realized in the ordinary course of business. The provision for depreciation and for all known liabilities are adequate and not in excess of the amount reasonably necessary.
